

2020 Suggested @Your-Site Training Schedule

To better serve you, our members, NEPPA has created an **optional**, suggested @Your-Site Training Schedule (see below). During the Registration process, you are welcome to select any of the following classes, add an "Other" class, or elect not to schedule a course in any month.

If you want to hold more than one class in a month, please let us know in the "Scheduling Preferences" section of the registration form.
