

2021 - Pole Speed Climb with Bell on 40' Pole

Drop Dead Time: 7 minutes

Event Summary:

The purpose of this event is to climb the pole as safely and quickly as possible and ring the bell located at the top of the pole, following the guidelines exactly, climbing safely and professionally.

Event Specifications:

1. Time starts at the signal with Journeyman standing an arm's length from pole ready to install his tools.
2. Put on all fall arrest equipment.
3. Climb pole using fall arrest equipment.
4. At top of the pole Journeyman reaches out and rings bell.
5. Journeyman climbs down pole. (No hot dogging). The time stops when first foot hits the ground.
6. Two climbing Journeyman's scores are added together and averaged for the team score.
7. No free falling or hot dogging. Journeyman must be in 3-point contact and in control at all times.
8. There will be a 10-point deduction for failure to ring bell, free falling or hot dogging.
9. Judging will start when participants enter the event and continue until they exit the event.
10. All general rules apply.
