TWO TYPES OF  
WORKPLACE STRESS  
*November 2025*

## UNNECESSARY STRESS ON THE JOB:

UNNECESSARY STRESS IS EXACTLY WHAT IT SOUNDS LIKE  
NEGATIVE STRESS PLACED UPON WORKERS UNNECESSARILY.  
THERE IS A LOT OF UNNECESSARY STRESS CREATED AT WORK,  
AND IT COMES FROM DIFFERENT SOURCES

## SOME COMMON SOURCES TO CONSIDER:

- **POOR COMMUNICATION.** INDIVIDUALS WHO YELL , BELITTLE, OR DISRESPECT OTHERS IN THE WORKPLACE CREATE A LOT OF UNNECESSARY HOW WE COMMUNICATE WITH EACH OTHER IS VITAL TO ENSURE EVERYONE CAN WORK SAFELY AND EFFICIENTLY AS A TEAM.
- **POOR PREPLANNING.** IMPROPER PLANNING FOR WORK TASKS IMPACTS PRODUCTION SCHEDULES AND CREATES MORE HAZARDS FOR EVERYONE INVOLVED IN THE TASK. BECAUSE OF THE EFFECT ON SCHEDULE AS WELL AS THE SAFETY OF THE TASK, INDIVIDUALS WILL FACE UNNECESSARY STRESS.
- **BAD LEADERSHIP.** RELATED TO THE ABOVE TWO SOURCES OF UNNECESSARY STRESS, BAD LEADERSHIP CREATES A LOT OF UNNECESSARY STRESS AT WORK. LEADERSHIP DOES NOT AUTOMATICALLY MEAN SUPERVISORS OR MANAGERS. EXPERIENCED WORKERS ARE ALSO LEADERS. WHEN THE LEADERS IN A WORKPLACE ARE NOT DOING THE BEST JOB, THEY CAN BE, EVERYONE SUFFERS.

## MOTIVATING STRESS ON THE JOB:

MOTIVATING STRESS, ON THE OTHER HAND, IS A POSITIVE STRESS. MOTIVATING STRESS COMES FROM DIFFERENT SOURCES.

### SOME COMMON SOURCES OF MOTIVATING STRESS:

- **WANTING TO PERFORM FOR COWORKERS OR SUPERVISORS.** WHEN EMPLOYEES WORK WELL TOGETHER AND RESPECT ONE ANOTHER, THEY WANT TO DO THE BEST JOB THEY CAN DO FOR THE BENEFIT OF EVERYONE AT THE COMPANY. THIS RESULTS IN A MOTIVATING STRESS TO DO BETTER.
- **A NEW TASK OR PROCEDURE.** IT CAN BE CHALLENGING WHEN WE GET A NEW TASK OR HAVE TO FOLLOW A NEW PROCEDURE. THE CHALLENGE OF A NEW WORK TASK OR PROCEDURE SHOULD BE VIEWED AS MOTIVATING AND NOT A NEGATIVE STRESS. GETTING OUTSIDE OF YOUR COMFORT ZONE IS VITAL FOR GROWTH.

INSTEAD OF THINKING OF STRESS AS THE TRADITIONAL TWO TYPES OF STRESS, CATEGORIZE IT AS UNNECESSARY OR MOTIVATING. HOW MUCH OF THE STRESS YOU ARE DEALING WITH AT WORK IS SUPERFLUOUS? HOW CAN IT BE ELIMINATED? ARE YOU A SOURCE OF UNNECESSARY STRESS FOR SOMEONE ELSE AT WORK? ELIMINATE UNNECESSARY STRESS AND EMBRACE MOTIVATING STRESS TO BECOME A MORE EFFICIENT AND SAFER WORKER.
